User Manual for E-Auction

1. Vendor Registration:

- Firstly, the vendor will be able to register for bidding by clicking on the "Vendor Register" button available in the header navigation bar of the screen.
- After clicking on the "Vendor Register" button, they will need to submit their registration details, which will be displayed on the screen after filling them out.

- Vendor will be able to register for bidding after selecting and filling out the following details manually, as shown on the screen below:
 - The vendor will first select the district, block, and Gram Panchayat from the dropdown menus available on the screen.
- After selecting the district, block, and Gram Panchayat, they will fill out their personal information and bank details, including:
 - PAN Number, TAN Number, Mobile Number, Name, Email ID, PIN Code, GST Number
